

LAUNCHING CASA GREENWOOD : RESIDENCES WITH SUNDECKS OVERLOOKING A FOREST RESERVE

These days, you need a residence where you can indulge in the joys of the outdoors, without leaving the safety and comfort of your home. At Casa Greenwood, nature isn't just something you find outside, it's what you live with.

These residences come with large decks^ that invite the outdoors in. Your private outdoor space and safe cocoon to enjoy the fresh air and sunshine, work outdoor when indoors become boring, grow plants that are aesthetically pleasing or use it as your hangout haven right from alfresco dining to BBQ night with friends and family.

Nestled in Amāra - Thane's greenest development with 30+ acres of open spaces, 1000+ trees, a 2-acre private forest and Mumbai's best air quality, these homes bring you back to nature.
