Actual views of the city's skyline

An iconic address in the city of dreams

Mumbai is the city of dreams and its landscape is transforming into a global modern metropolis. Situated right in the heart of this bustling city and its shimmering skyline is an icon which stands out. Spread across 17 acres at the confluence of Worli and Lower Parel- two of the most spirited boroughs of South Mumbai, The World Towers embodies global standards of luxury living. Home to the global elite, situated in the prime business and entertainment hub of Mumbai, it's an experience befitting those who understand the finer things in life.

A cultural haven for art connoisseurs

Living experience fit for the new age royals

Leading to a ritzy extravagant social life at The World Towers is a Palm-fringed Avenue lined with a serene public park on the left and the latest addition to the city's fine dining restaurants - Townhall and Qualia on the right. Not too further away, the residents are welcomed by a grand arch - the widest arch in the country and a majestic sight of the largest private dancing fountains in the city. With 7 acres of the best amenities including a 5-level clubhouse, India's only Six Senses Spa, a fitness centre, 4 swimming pools, a 2-acre sports Arena and a grand outdoor kids play area, The World Towers is truly a rare regal oasis with magnanimous amenities in the bustling city of Mumbai. To top it all, Saint Amand hospitality services caters to all needs of the residents -from routine to whimsical.
